A. Form/Schedule : **F3XN**

Transaction ID :

Determination of usual and normal charges for Enhanced Online Voter File Access for payments received on Schedule A, Line 17 of the Committees report was calculated by the total cost of developing and hosting our online voter file and dividing it by the number of records within the file as well as the presumed number of overall users. The cost to the organization is then determined by the number of records requested and the length of time access will be granted. i.e. Statewide or congressional charges are based on the number of records in the district or entire state as requested. - Please note that the employees that were disclosed on Schedule H4 supporting Line 21(a) as payroll spent less than 25% of their time during the period working on any Federal Election Activity or activities in connection with a Federal Election therefore salary payments were allocable. This also includes fringe benefits for those specific employees. - Please note that all fundraising activity on this report was for the sole benefit of the Committee and was not attributable to any candidate for federal office. - Additionally the Column B Totals on this report reflect changes due to an exhaustive search in the Committee database for duplicates caused by data entry errors from 3 web based contributions received. Cari Carpenter Contributed \$300 on 1/11/09 that was itemized and also gave \$10 on 1/27/09 that was not itemized so her new aggregate year to date total is \$310 - Harold Hurst contributed \$180 on 3/3/09 that was not itemized and in the duplicate record contributed \$60 on 3/12/09; his aggregate year to date total is now \$240 - Ginny Sue Hayden had contributed \$200 in January that was not itemized and then \$35 on 3/13/09 which was itemized as \$235 on the April Monthly Report. Ms. Hayden then contributed online again on 4/1/09 which created the duplicate. This has been corrected and her aggregate year to date total is \$270. Due to these merges the Column B Itemized Total has increased by \$105 and the Unitemized Total has decreased by \$105
